

DOING THE
MOST GOODSM

Hosting a Toy Drive

In 2010, the Angel Tree program served over 13,500 children in our community and numbers continue to grow each year. Every child registered through the Angel Tree program is guaranteed to receive gifts, but each year the number of children registered outnumbers the amount of children adopted by the community. Therefore, the Angel Tree program relies on toys collected at toy drives around the city to help provide gifts for children not sponsored.

Please consider hosting a drive to provide toys for these children this Christmas.

Here are some possible toy drive ideas:

- Board Game Drive
- Balls and Dolls Drive
- Arts and Craft Supplies
- Infant toys and clothes
- Teens and 'Tweens (for children between the ages of 11-14)

Any other ideas are welcomed and all toys are appreciated. We request new and unwrapped gifts.

* You may also want to host a drive for a specific age group. Last year, we had the greatest need for toys ages 0-2 years and 12-14 years of age.

All items collected can be returned to The Salvation Army Christmas Center at 801 E Arrowood Road during the Christmas Center hours.
