The Scope of The Salvation Army of Greater Charlotte (*This covers all topics below*)

Get an overview of The Salvation Army, the many programs we offer, and the people we serve.

- Do you know what The Salvation Army does in Charlotte?
- What is the mission of The Salvation Army?
- How can you get involved?

Homelessness: The Center of Hope

On any given night The Salvation Army Center of Hope shelters over 300 homeless women and children, taking them off Charlotte's streets and into a place of safety. The shelter is a 224-bed facility located near uptown Charlotte.

At-risk Youth: Boys & Girls Clubs

Since 1934 The Salvation Army Boys & Girls Clubs have served Mecklenburg County by investing in the youth of our most vulnerable neighborhoods. Through our programming, we inspire young people to reach their full potential as productive, responsible, and caring citizens. More than 2,150 club members find positive role models and a safe place to grow in one of the seven Boys & Girls Clubs of Greater Charlotte.

Senior Citizens: Booth Gardens Apartments

With rising costs for housing, health care, and transportation, many senior citizens find it difficult to get by on a limited income. Through Booth Gardens Apartments, with their 132 apartment units, The Salvation Army provides seniors with a safe, affordable place to call home.

Chemically Dependent: Adult Rehabilitation Center

Have you ever wondered whatever happens to the donations of clothing, furniture, and household goods you make to our Family (Thrift) Stores? Through our Adult Rehabilitation Center, more than 100 men receive residential housing, work training, and individual therapy to overcome issues that contribute to substance abuse and homelessness.

Christmas Assistance: Angel Tree and Christmas Assistance Programs

Each year, The Salvation Army assists over 21,000 people in Mecklenburg and Union counties during the holidays, allowing them to allocate their resources to cover living expenses but still being able to celebrate the joy of the season.

Disaster Relief: First Responders

The Salvation Army is a national first responder to a disaster, natural and otherwise. Officers, staff, and volunteers are prepared to deploy quickly to provide emergency food, shelter, clothing, and spiritual comfort in time of great loss.
