

## Why I give to The Salvation Army?

- They can turn my couch into utility assistance.
- I could use the tax write-off.
- If I give away the spare bed, my mother-in-law can't come and visit.
- They help people go from shelter to success.
- I want to see the floor of my garage.
- Grandpa would be proud of me.
- The Salvation Navy can't get their ships to my house.
- ALL OF THE ABOVE.**
