

CENTER OF HOPE

Each year, more than 300 families move into stable housing because of The Salvation Army's Center of Hope shelter and housing programs. As a low-barrier shelter, The Salvation Army is a leader in helping families transition into permanent, affordable housing. As an active member of the Homeless Services Network, we support families experiencing homelessness through Shelter Diversion, Emergency Shelter, Supportive Housing and Rapid Rehousing, depending on their level of need.

ADULT REHABILITATION CENTER

The Adult Rehabilitation Center, which serves 116 men at a time, providing housing and support to help them recognize the value of their lives and transition from chemical dependency to self-sufficiency. Men in the program have access to a licensed counselor who can provide individualized care, support groups for group therapy, relapse prevention classes, job training and placement, GED classes, financial literacy and budgeting classes, special events and social outings, and more.

The Salvation Army Women's Auxiliary provides support for the programs of The Salvation Army including the Center of Hope shelter for women and children; Charlotte area Boys & Girls Clubs; Christmas assistance programs; Poplar Grove senior living community; the Adult Rehabilitation Center; and more. In addition, the Women's Auxiliary organizes fundraisers to help support these programs financially. Over the past 32 years, we have raised over \$1,000,000 to support vital community programs. 100% of the funds raised go to serve vulnerable populations in the Charlotte area.
