Parents/Guardians Notice & Consent Form

Your child has expressed an interest in participating in SMART Moves, the nationally acclaimed prevention program of the Boys & Girls Clubs of America. This program educates youth about alcohol, tobacco, other drugs, teen sexual involvement, and HIV/AIDS. Please keep in mind that in this program, we:

- Only discuss topics that are relevant to your child's stage of development. For example, we will not discuss the risks of early sexual involvement with 7-year-olds.
- Only teach the facts about alcohol, tobacco, other drugs, and the risks of teen sexual involvement and HIV/AIDS. We do not discuss our personal theories or beliefs.
- Teach kids how to avoid negative peer pressure (refusal skills training).
- Do not advocate birth control or talk about abortion.

In addition, because of grant funding requirements for SMART Moves, it may be necessary that we administer pre- and post-tests, an anonymous questionnaire about a child's personal background, and in some cases, keep progress notes on participants. These items may be necessary in order for our funding sources to evaluate the success of our program. Naturally, all of the above information will be kept strictly confidential.

If you have any questions about the SMART Moves curriculum and how your child will be involved, please attend the orientation that is scheduled forat

If you have any questions, suggestions, or concerns, please contact
at
.....

- Yes, I DO give permission for my child to participate in SMART Moves.
- No, I DO NOT give my permission for my child to participate in SMART Moves.

NOTE: It is vital that your child return this letter in order to participate in the program.

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

The Salvation Army Boys and Girls Clubs of Greater Charlotte has put in place preventative measures to reduce the spread of COVID-19; however, The Salvation Army cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending The Salvation Army could increase your risk and your child(ren)'s risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending The Salvation Army and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at The Salvation Army may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Salvation Army employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at The Salvation Army or participation in Salvation Army programming ("Claims"). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless The Salvation Army, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of The Salvation Army, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Salvation Army program.
