Join The Salvation Army in the FIGHT against Human Trafficking. The first step in prevention is Education & Awareness.

You can easily be involved in this effort by volunteering for any of the following activities!

Start a Book Club

Whether you're already a part of a group or ready to create one, a book club is an excellent way to for you and others to learn more about Human Trafficking. We have a list of book suggestions and ways to get started! Contact Us!

Purchase Fair Trade

Purchasing Fair Trade ensures that individuals are paid a fair wage for the work they have completed. Start small! Contact us for a list of products and websites.

Host a Movie Screening

Hosting a movie screening is a great way to introduce the topic of Human Trafficking to a large or small audience. Private or Public viewings are encouraged! Contact us for a Movie Registration Form.

Request a Training

Interested in spreading awareness to a group of people, but not sure how? Request a training from our staff! This could be a youth group, staff or employees, church, or other community group.

Host a Special Event

A special event can be as simple as having a few friends over for dinner, or as elaborate as a Progressive Dinner among multiple establishments. Regardless, the theme is to inform these individuals about Human Trafficking. It is also a great fundraising tool!
