Acceptable Use of Internet and Other Electronic Resources

The Salvation Army recognizes the value of computer and other electronic resources to improve learning and enhance the administration and operation of its programs. To this end, the Divisional Finance Board encourages the responsible use of computers; computer networks, including the Internet; and other electronic resources in support of the mission and goals of The Salvation Army. Because the Internet is an unregulated, worldwide vehicle for communication, information available to individuals is impossible to control. Therefore, the Divisional Finance Board adopts this policy governing the voluntary use of electronic resources and the Internet in order to provide guidance to individuals and groups obtaining access to these resources on The Salvation Army-owned equipment or through The Salvation Army-affiliated organizations.

The Salvation Army Rights and Responsibilities

It is the policy of The Salvation Army to maintain an environment that promotes ethical and responsible conduct in all online network activities by individuals. It shall be a violation of this policy for any individual to engage in any activity that does not conform to the established purpose and general rules and policies of the network. Within this general policy, The Salvation Army recognizes its legal and moral obligation to protect the well-being of individuals in its charge. To this end, The Salvation Army retains the following rights and recognizes the following obligations:

1. To log network use and to monitor fileserver space utilization by users, and assume no responsibility or liability for files deleted due to violation of fileserver space allotments.
2. To remove a user account on the network.
3. To monitor the use of online activities. This may include real-time monitoring of network activity and/or maintaining a log of Internet activity for later review.
4. To provide internal and external controls as appropriate and feasible. Such controls shall include the right to determine who will have access to The Salvation Army-owned equipment and, specifically, to exclude those who do not abide by The Salvation Army's acceptable use policy or other policies governing the use of facilities, equipment, and materials. The Salvation Army reserves the right to restrict online destinations through software or other means.
5. To provide guidelines and make reasonable efforts to train staff and computer users in acceptable use and policies governing online communications.

Staff Responsibilities

1. Staff members who supervise users, control electronic equipment, or otherwise have occasion to observe user use of said equipment online shall make reasonable efforts to monitor the use of this equipment to assure that it conforms to the mission and goals of The Salvation Army.
2. Staff should make reasonable efforts to become familiar with the Internet and its use so that effective monitoring, instruction, and assistance may be achieved.

User Responsibilities

Use of the electronic media provided by The Salvation Army is a privilege that offers a wealth of information and resources for research. Where it is available, this resource is offered to individuals at no cost. In order to maintain the privilege, users agree to learn and comply with all of the provisions of this policy.

Acceptable Use

1. All use of the Internet must be consistent with the mission and objectives of The Salvation Army.
2. Proper codes of conduct in electronic communication must be used. In news groups, giving out personal information is inappropriate. When using e-mail, extreme caution must always be taken in revealing any information of a personal nature.
3. Network accounts are to be used only by the authorized owner of the account for the authorized purpose.

4. All communications and information accessible via the network should be assumed to be private property.
5. Subscriptions to mailing lists and bulletin boards must be reported to the system administrator. Prior approval for such subscriptions is required for all users.
6. Mailing list subscriptions will be monitored and maintained, and files will be deleted from the personal mail directories to avoid excessive use of fileserver hard-disk space.
7. Exhibit exemplary behavior on the network as a representative of The Salvation Army and your community. Be polite!
8. From time to time, The Salvation Army will make determinations on whether specific uses of the network are consistent with the acceptable use practice.

Unacceptable Use

7. Malicious use of the network to develop programs that harass other users or infiltrate a computer or computing system and/or damage the software components of a computer or computing system is prohibited.

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

The Salvation Army of Fayetteville has put in place preventative measures to reduce the spread of COVID-19; however, The Salvation Army Red Shield Club of Fayetteville **cannot guarantee** that you or your child(ren) will not become infected with COVID-19. Further, **attending The Salvation Army Red Shield Club of Cumberland County could increase** your risk and your child(ren)'s risk of contracting COVID-19.

.....

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending The Salvation Army Red Shield Club and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at The Salvation Army Red Shield Club of Fayetteville may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Salvation Army employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at The Salvation Red Shield Club of Fayetteville or participation in Salvation Army Boys & Girls Club programming ("Claims"). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless The Salvation Army, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of The Salvation Army, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Salvation Army Red Shield Club Program.
