Summer Meal Program

The Boys and Girls Club provide healthy meals and snacks to promote the well-being of our youth. During the summer, we are a sponsor site for the U.S. Department of Agriculture (USDA) Summer Food Service Program administered by the Waccamaw EOC. Lunch and snack are free to children ages 0 – 18 years of age and children do not need to be members of the Club to attend meal services.

If your child has any food allergies, please contact the Unit Director and fill out a Medical Disability Statement for Food Substitution form available at the front desk. Your child may bring his/her own lunch/snack, or we can try to provide an alternative meal or meal plan. **Please note:** we do not have refrigeration space for lunches. Members are not allowed to use microwave or other cooking appliances.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English. To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Health and Wellness

The Boys & Girls Club of Conway strives to maintain a safe and secure environment for its members and staff and to serve all children. Please be as honest and accurate as possible in providing information about your child in the Membership Application to help us in serving your child. If your child has any special medical or other needs, please contact the Club before registering your child to make sure our program is a good fit with your child's needs.

Club staff is First Aid and CPR trained, and basic first aid will be provided in case of minor injury. If a member requires more than basic first aid, a parent/guardian will be contacted to seek additional care. In the event of a serious or life-threatening emergency, Club staff will call 911 immediately, and then call the parent/guardian or alternative emergency contact. If medical treatment is required for a member, any associated costs are the responsibility of the parent/guardian.

Ice pack & bandages:

Ice packs and bandages will be distributed based on staff evaluation of injury. A "Band-Aid" report will be made available for parent/guardians at pick up.

Medication:

Members are not allowed to carry any medications, prescriptions or over the counter drugs on their person while at the Club. If your member does have a medication that will need to be taken throughout the course of the day, the medication must be turned into the Front Desk and it is the responsibility of the member to administer the medication him/herself. We can store prescription medication and Epi-Pens in our first aid kit for those individuals with severe medical conditions or allergic reactions.

Illness:

To maintain a healthy Club environment, please keep your child home for the following reasons:

- Temperature of 100 degrees or more in the last 24 hours
- Vomiting/diarrhea during the night or morning
- Red, sore or runny eyes
- A contagious illness
- Untreated lice
- Chicken pox
- Severe sore or red throat or white patches on tonsils

If your child becomes ill while at the Club, you will be called. If your child is too ill to remain at the Club, you will be asked to come get him/her. Proof of treatment from a health care facility and/or written approval from a health care provider may be required for some illnesses before a member is allowed to return to the Club.

Allergies:

Club staff is trained in recognizing the signs of anaphylactic shock and to administer an epinephrine auto-injector if needed. If a member has a severe allergy, we ask that a copy of the Severe Allergy Plan (or your school district's equivalent) provided to the child's school be available to Club personnel to help provide the best care possible for the child while at the Club.

Phone Calls

Phones are for emergencies only and use of phone will be at the discretion of the staff.

Children with Special Needs

Boys & Girls Club of Conway strives to serve all youth, but realize our program may not be the best fit for every child. Members must be able to work well in a large group environment, have a certain level of independence, navigate the physical Club facilities, and be able to control their behavior for the safety of themselves and others. The Club will give every child the opportunity to be a Club member and work with them to adapt to the Club environment. However, sometimes children and family situations may require services or supervision beyond the Club's capacity and members may be asked to terminate their membership and/or summer participation for the well-being of themselves or others. **Refunds are not given when membership is terminated.** To help decide if our program is right for your child, please call your designated Club Director prior to your child's first day at the Club.

Member Behavior Expectations

Club Rules

1. Respect Club members
2. Respect Club staff
3. Respect Club equipment
4. Respect yourself

Member safety is always a primary concern at the Boys & Girls Clubs. Members are not permitted in unsupervised areas. Club policies and procedures, including program area expectations, Charter Bus and Club Van Rules are strictly enforced. Any member that breaks a rule will be redirected. Repeated infractions or serious misbehavior will result in a parent/guardian being contacted. We reserve the right to suspend a member for any length of time. Refunds are not given when member is suspended.

Discipline Policy

The Boys & Girls Club of Conway strive to keep the consequences for unacceptable behavior clear, appropriate and timely. The safety of all members is of the utmost importance to us. Any member who disrupts programs or creates a dangerous situation will be disciplined appropriately. Members who do not follow the rules can expect to lose privileges and face consequences. Parents will be called to remove any member who has failed to control his or her disruptive behavior and/or is behaving in an aggressive or violent manner that jeopardizes the health and safety of him/her, fellow

members or staff. A parent/guardian may be held responsible for damages caused by unacceptable behavior.

Parental Support

The support and involvement of parents/guardians is vital to our success as youth development professionals. When Club staff and parents/guardians work together as a team, each member's chance for success is greatly increased. Please help Club staff in identifying behavior concerns on your child's Membership Application and make an appointment with the Club Director to develop a behavioral plan for your child. If your child has a behavior contract or the equivalent at school, please share a copy with the Club Director so that Club staff can support an existing plan to help your child be successful at the Club. A trial period may be implemented to determine if our program is right for your child. Failure to declare a behavior condition that may put the health and safety of your child, other members or staff in jeopardy may result in suspension or termination of Club membership. From time to time, situations involving parents/guardians may occur which reach unfortunate points of anger and disrespect. However foul Language is not tolerated. Therefore, Boys & Girls Club staff may be required to intervene and ask involved parents/guardians to leave the premises and, in extreme situations, withdraw their child/children from our programs.

To ensure and maintain a positive environment, the following points must be acknowledged:

1. Parental/Guardian involvement and support are important to success.
2. Good behavior will be recognized and reinforced.
3. Discipline is handled by staff and supported by parents/guardians.

Disciplinary Actions

1. Verbal counseling
2. Safe Place
3. Loss of Club privileges
4. Suspension/removal from program area
5. Suspension from Club and all Club-sponsored activities (including Team Sports). Term of suspension may range from one day to two weeks depending on the severity of incident.
6. Suspension with mandatory parent meeting prior to return to Club activities.
7. Behavior Contract
8. Termination

Immediate Suspension and Zero Tolerance Policy

Some behaviors warrant immediate suspension without the option of going through our Disciplinary Action steps:

- Fighting with another member, staff, volunteer, or guest
- Destruction or theft of Club property
- Racial or sexual harassment
- Smoking and possession of tobacco products on the premises is strictly prohibited.

Violation of this policy will result in confiscation of the tobacco product and a 5 day suspension.

- No alcohol, drugs, drug paraphernalia or weapons are allowed on the premises. Violation of this policy includes confiscation of item(s), contacting local law enforcement, and termination.

The Boys & Girls Club of Conway has adopted a **ZERO TOLERANCE** policy for disturbing or intimidating behavior at all Club functions. This includes, but is not limited to: vulgar language; physical or verbal bullying; harassment; intimidation; racial, religious or gender related comments or gestures; as well as the use/possession of weapons, drugs, and alcohol and tobacco products. Such behavior will result in immediate suspension from current Club activities and programs and depending on the severity of offense, could result in long term suspension. If needed, a meeting will be set up with the Executive Director to discuss further actions including termination of Club membership. Decisions made by the Boys & Girls Club of Conway will be fair and based on the best interest of the children the Club serves. This policy will be strictly enforced and all decisions will be final.
