URGENT NEEDS!

The Salvation Army of Wake County serves over 100,000 individuals each year, and strives to meet the basic needs of our community. From our Women and Children’s shelter, Food Pantry, Soup Line, Coat Giveaways, and other programs we quickly go through supplies needed to keep our community members safe, warm, and fed.

“Our mission is to preach the gospel of Jesus Christ and meet human needs in His name without discrimination.”

Through the help of generous community members we are able to provide for the people of Wake County. We provide food for the hungry, companionship to the elderly and ill, clothing and shelter to the homeless, opportunities for underprivileged children, relief for disaster victims, assistance for the disabled, and many more services to assist those in need.
