## COUNTRY CLUB OF ASHEVILLE

*"an urban gem in the mountains"*

Anchored by its championship Donald Ross golf course and newly renovated clubhouse, this historic Blue Ridge Mountain country club is a beacon for active lifestyles in Asheville. Among the first hundred private clubs founded in America, the Country Club of Asheville was established in 1894 as Swannanoa Country Club. After several changes in location and name, the club attracted famed course architect Donald Ross to design the 6,638 yard par 71 professional track in 1928.
