2019 ANNUAL REPORT

DOING THE
MOST GOOD

Dear Friends,

For over 85 years, The Salvation Army Boys & Girls Clubs of North and South Carolina have been offering programs and services that exemplify and actively practice Christian principles. Our Salvation Army Boys & Girls Clubs create an accepting, positive and challenging environment where young people of every background, circumstance, race, creed and religion have a safe place to learn and grow into productive citizens.

The Salvation Army Boys & Girls Clubs have the advantage of being part of two of the most effective and trusted national nonprofit organizations in the world; thereby, benefiting from the vast experience and mission of both of these great movements.

All Salvation Army Boys & Girls Club programs are based on a youth development strategy that builds character and self-confidence, and instills a sense of belonging, competence, usefulness and influence.

God bless you,

The Salvation Army of North & South Carolina

DOING THE MOST GOOD

BOYS & GIRLS CLUBS
OF NORTH & SOUTH CAROLINA

Our Clubs provide a fun, safe and constructive environment for kids and teens during out-of-school hours. Community-based and led by professional staff, Clubs serve small towns, large metropolitan areas, and public housing communities, as well as those who live on U.S. military installations across the Carolinas. We offer programs and services to help young people succeed in school, develop leadership skills, and maintain healthy lifestyles.
